Indy EAP (Energy Assistance Program) assists individuals and families with the high costs of home energy. Income-eligible families are provided a one-time benefit paid to the utility company to offset the high cost of winter utility bills. The energy assistance benefit amount is based on household size, household income, type of dwelling, housing status, at-risk factors, and fuel source.

Household Size	Last 3 Months Household Income Must NOT EXCEED
1	\$7,438
2	\$9,727
3	\$12,016
4	\$14,305
5	\$16,594
6	\$18,883
7	\$19,312
8	\$19,741

Household income is the gross earned income (and other unearned income) received by all household members aged 18 and above.
